Good morning Gary,

In putting together the Assessment report I noticed that you had never signed off on the QASP. I'm assuming that means that, in the rush to get started with the Assessment, we never sent it to you and you never saw it. Sorry about that!

So, since we need to get it uploaded to TeamLink, as well as include it in the Assessment report, do you want to see it and sign the signature page, or should we just go ahead and upload it without a signature page?

Also, you should see a draft of the Assessment report early next week and I'm aiming to have the Removal report completed by the end of July.

Let me know what you want to do with the QASP.

Hope you are well.

Daniel
